JUST CARTRIDGES™

Just Cartridges Open Day hailed a great success

The first ever Just Cartridges Open Day was held on Saturday 1st July to celebrate the move to their new premises. Over 350 loyal customers snapped up some fantastic bargains before watching George Digweed (MBE) - winner of 26 World Championships give his fabulous Masterclass display.

Chris Childerhouse – Just Cartridge's sponsored shooter ran the clay line providing customers with some expert tuition.

Gamebore, Hull, Eley and Express cartridges were there answering questions about their ranges. Customers were able to try the new

Weihrauch air rifles featuring night vision optics. Browning was on hand with the new B15 shotguns and supplied the guns for the shooting line.

“We were delighted with the turnout with a number of our customers travelling from as far afield as Norfolk, Kent and Yorkshire for the day not only to see George shoot but to snap-up some bargains aswell with J.Walsby-Tickle from Bicester winning the draw for the Browning B525,” said Charles Bull (MD).
